Nancy's News

Hope all you moms have a very Happy Mother's Day!!! I know I will since I'm the proud mother of three fantastic kids or I should say adults. Where does the time go???

Well I guess I will be slinging burgers and

dogs soon for all of you at our annual Memorial day Picnic on May 31st. Hope to see lots of the residents there sharing in the fun with friends and neighbors.

This month I have the honor of going up to the High School to present the Brea Glenbrook

Women's Club Scholarships and also the Bryon Larkin Scholarships. It's always a thrill for me seeing all the kids I know moving forward in their lives and getting ready for the next adventure. The money they receive is a big help to many of them and I'm glad to be a part of that.

Remember, I teach Aqua Aerobics Monday and Wednesday nights, 8:15 to 9:15pm. Session 2 will begin May 3rd and run through May 26th. Come on over and try it out before you sign up.

See you at the club!!!

Nancy

If you are aware of someone in Glenbrook who needs a friendly note sent their way let us know. Call the club at 714-529-8002, and give us the information and we'll make sure a card is sent. We love to hear about weddings, birthdays, new babies and new neighbors to Glenbrook.

We also like to let our neighbors know that we are thinking of them in time of sorrow or if they have been sick or injured. It's nice to realize neighbors are thinking of you and that you're not alone.

Movie Night

We're back to Friday Night Movie Nights for all you parents who need a date night. So drop off your kids for some well deserved *you* time. We'll be serving the usual, popcorn and a beverage and finish the evening with some frozen treats. The cost is \$2.00 per

kid. It doesn't get much better than that and you don't have to pick up after them!

MAY2010

It is almost summer!

I know, I may be jumping the gun a bit...it is only May, but really, it is ALMOST summer! Time passes so quickly, so it is fun to look forward to fun things. Time does go by quickly, and in our busy day-to-day lives much of what we do is forgotten soon afterwards. What has happened to you when someone has been genuinely kind to you.....you are probably touched in a way that makes you feel better, and chances are it will not forgotten soon afterwards. Your mood that day may become more confident and lighthearted and as a result open to appreciate others more.

Opportunities to express kindness and gratitude are all around us. Taking five minutes a week to text, tweet, email, post, write or say thank you to those in your life can make a difference; not only for the people to whom we're grateful, but also to our own well-being. Do yourself a favor and take time to express gratitude.

Thank you for all of the positive contributions you make to our schools and community and to yourselves every day!

We must thank Barbara Sideri for her generosity on April 6th. She and her husband John opened their home to the Women's Club so we could tour their magnificent backyard. Barbara John both have green thumbs and truly love having their own "little place of paradise". When you enter their backyard you feel like you are somewhere else with all the flowers and fruit trees and stone walking paths and so much more. The tour started at the gate with an explanation of the different varieties of trees and how they came to end up in the Sideri's yard. We came around the corner and there was a table beautifully set with all types of delicious treat to eat and drink. If you ever go over their house and offer you Electric Lemonade be prepared!!! Just ask Ann Hamilton, her mouth is probably still on fire. HA! HA! They have blueberries and all types of vegetables and 28 fruit trees believe it or not on their small Glenbrook yard. We learned so much that night and had a wonderful visit with both John and Barbara. We couldn't have ask for a better night together with friends and very lovely neighbors. Thank you Barbara and John, we hope to visit again real soon.

Practices will be Monday, Tuesday, Wednesday and Thursday evenings now thru June 16th. The session fee is \$150. Please call 714-319-3994 if you are interested in this program

About the Team

The Brea Glenbrook Swim Team (BGST) is a summer swim team consisting of about 120 swimmers between the ages of five and eighteen. BGST was established in 1972. BGST is a member club of United States Swimming (USA) and competes in a summer USA league in Orange County. Swimmers also compete in invitational meets and special "fun" meets and activities throughout the season. Practices run from April- mid August. REGISTRATION NOW OPEN to residents only!

Did you know?!

Did you know that as a Glenbrook resident, your child could be a member of the Glenbrook swim team's spring/summer season for less than \$60/month?!

In its 37th season, this Glenbrook tradition offers a great value, daily practices and healthy exercise, in a fun, family friendly environment. Our professional coaches offer instruction to all levels of swimmers from the novice to the junior Olympian.

Practices have begun, so call Christine Denbo at 714-319-3994 or e-mail SwimBGST@aol.com soon to find out how to register or get more information!

For safety reasons, all new swimmers wishing to join the swim team must be able to swim one length of the pool without touching the bottom, sides or lane lines. 5-6 year olds should be able to get across the width of the pool.

In-water evaluations for brand new swimmers will be held to assess this requirement before the season start.

Sponsorships

BGST sponsorship ads for the 2010 season will run through May 1st of 2010. All platinum sponsorships are included in the paper bulletin sent out every month, online at www.breaqglenbrookclub.com and on our team's website at www.swimBGST.com If you would like to sponsor for 2010-2011, please contact Cindy at cityhr@earthlink.net for more information.
