Bathroom Renovations

The plumbing has been repaired so now onto the bathroom renovation. The entry doors, hallway walls, tile floors and showers have been removed from both bathrooms. The lights and walls were the first to be addressed. New can lighting has been put in and the walls where the additional stalls will be are in place. Next the floors, toilets, countertops, sinks, partitions, fixtures, paint, cabinets and changing tables will complete the project.

It's going to be fantastic when it's completed. We are doing our best to get this project finished and appreciate your patience.

You can see the plans and all the before, during and after photos posted on our new website, breaglenbrookclub.com.

New Website

Have you checked out the new and improved Brea Glenbrook Website. It has an updated look...it's easy to navigate through...there's a gallery of photos... announcements are posted...the events are current...and there is so much more. The site is designed for your mobile device and will display the entire website so everything you want and need to know about Glenbrook is at your fingertips. Again we want to thank Mark Uyemura, a Glenbrook resident, who offered his services to design and program the new site. He put in many hours creating our user-friendly website and keeps the site updated. Go breaglenbrookclub.com and let us know what you think. Please send all your comments and suggestions to nfoxhall@breaglenbrook.org.

We Care

If there is someone you know in Glenbrook that has had a baby, is getting married, is celebrating a milestone anniversary, has lost someone close, or just needs a friendly note, let us know. Call the clubhouse at 714-529-8002 and leave a message for Beth Speakman. She will send a card to let them know we are thinking of them. Let's put a smile on a neighbor's face, it might be just what they need.
