Bathroom Renovations

Due to a root issue, we will be completely renovating the main bathrooms. With that said, there will be no rentals booked in January and possibly February. First the plumbing has to be taken care of, then the remodeling can begin. To accommodate an additional stall in each bathroom the hallway walls inside both bathrooms will be removed. This will allow us to widen the entrance doors and to open the area for a storage cabinet and changing table in each bathroom. It's going to be fantastic when it's completed but an inconvenience while it is in progress. We'll do our best to get this projected completed as quickly as possible. You can see the plans and all the before, during and after photos posted on our new website, breaglenbrookclub.com.

New Website

Well, it has finally happened. We have launched the new and improved Brea Glenbrook Website. New look...easy to navigate through...gallery of photos...announcements posted...current information...and so much more. The site was designed for your mobile device and will display the entire website so everything you want and need to know about Glenbrook is at your fingertips. We are very excited and want to thank Mark Uyemura, a Glenbrook resident, who offered his services to design and program the new site. He has put many hours in creating a user-friendly site and we think he has done a fantastic job. Check it out today at breaglenbrookclub.com and let us know what you think. Please send all your comments and suggestions to nfoxhall@breaglenbrook.org.

We Care

If there is someone you know in our Glenbrook that has had a baby, is getting married, is celebrating a milestone anniversary, has lost someone close, or just needs a friendly note, let us know. Call the clubhouse at 714-529-8002 and leave a message for Beth Speakman. She will send a card to let them know we are thinking of them. Let's put a smile on a neighbor's face, it might be just what they need.
