Labor Day BBQ

The Glenbrook Labor Day BBQ is Monday, Sept, 3rd. The pool will be open from **11:00am to 5:45pm** for extended swimming fun! Lunch is from 1-3pm. We'll have all the usual favorites, hotdogs, hamburgers, chips, veggie burgers, and drinks.

Please don't forget to bring any type of side dish you would like with you to the barbeque, that's what makes the meal complete. Savory or sweet we love it all and we truly appreciate everything!!!

Come and enjoy a day at the club with family, friends and neighbors. It's a great community event and everyone that has the day off should stop by and take advantage of the great food and extra pool time especially with summer coming to an end. If you are bringing guests make sure they are aware of the Glenbrook pool and club rules. I'm sure it will be sunny and warm and lots of fun!!! We hope to see all of you on September 3rd.

Pool Hours

Please note the pool will be open in September. Monday, Wednesday, Friday, Saturday and Sunday from 12-5:45pm. On Tuesdays and Thursdays the pool will close at 4:30pm for swim team practice.

Glenbrook is celebrating 50 years in 2019!!!

Looking back it has come to our attention that Glenbrook has been around for 50 years!!! This is very exciting and needs to be celebrated. We are hoping you can help us. If you have anything Glenbrook...pictures, old membership cards, home plans, swim certificates from way back when, please share. We would like to assemble an anniversary book. There is so much history here that many of the residents don't even know about...Men's Club, luaus on the pool deck, a Tiny Tots program, trips and so much more!!! Maybe you participated in some or all of these. We want to document the wonderful years that Glenbrook has given to us and share it with those that weren't here to experience all that was offered. Send pictures of what you find to share to nfohall@breaglenbrook.org. I look forward to seeing the Glenbrook past.

We Care

If there is someone you know in Glenbrook that has had a baby, is getting married, is celebrating a milestone anniversary, has lost someone close, or just needs a friendly note, let us know. Call the clubhouse at 714-529-8002 and leave a message for Beth Speakman. She will send a card to let them know we are thinking of them. Let's put a smile on a neighbor's face, it might be just what they need.

BGST Barracuda News - September 2018

HIGH ENERGY * AWESOME COACHING STAFF *
AMAZING BGST FAMILIES * A SPORT OF SKILL BUILDING
AND TIME DROPPING * GOAL REACHING * TEAM BUILDING

BGST finished out the season with a bang!

We headed into OCSC League Finals hopeful! We took first place at Finals ended up sending 51 swimmers as qualifiers to the OCSC Championship meet the following Monday! Phenomenal!! The Championship meet, where the top 8 swimmers in each event from the League meets come together to swim, was great with lots of fantastic swims. And...out of 14 teams, we took home 3rd place at the Championship meet! Not too shabby for a little summer league team, huh?! Our team was very excited!

Also at the end of July, the lightning fast Lukas Martin Stratton represented BGST at the Junior Olympics! Congratulations to him!

We held our annual Awards Dessert on Wednesday, August 8th. The Box Creamery brought their vintage ice cream truck out for our swimmers to enjoy a cool treat on a hot evening! So much fun was had by all and it was fantastic to celebrate the accomplishments that each and ever swimmer had this summer. First year swimmer from our Platinum group, Aaron Painter, was chosen as our 2018 Rookie of the Year. Our 2018 Swimmer of the Year, was the speedy and athletic junior Olympic qualifier, Sierra Criner!

Thanks for supporting and rooting for our BGST swimmers! It's been a great summer!

Look for more info soon regarding our popular Masters Program Fall Session.

Important changes when renting the clubhouse

Due to the fact that the clubhouse is adjacent to multiple properties there are sound issues when an event takes place on the back patio. The Board of Directors has decided that to reduce the noise the neighbors have to endure during events **all music will be set up inside**. Either the game room or the multi-purpose room can be used for dancing. If you have already booked an event at the club and have planned on having a DJ or band outside please note that they will have to be set up inside now. The Board is trying to accommodate both the neighbors that are in close proximity to the club and the residents that have booked or will be booking events at the club. We are sorry for any inconvenience but we are hoping that this will be a simple solution allowing everyone to be able to enjoy the club and their backyard at the same time.

Thank you in advance for your cooperation.
