## Pool Re-plastering and Bathroom Renovations

I am sure you have heard all the noise at the club and have figured out the pool is getting a facelift!!! The pool and wader have been acid washed many, many times but it was time to put a new surface on both. There will be new waterline tiles, new lane lines, new touch targets and new step markers. Everything will be up to code and look amazing. The hope is to have the pool open for spring break but we will keep you posted. Updates and pictures are on the website at [www.breaglenbrookclub.com](http://www.breaglenbrookclub.com).

The pool deck bathrooms were also in dire need of attention and will be renovated. That project will begin on March 11th. Again, all updates and pictures will be available online.

## Flooding at the Club

We have had some crazy weather and unfortunately the club experienced flooding in the kitchen, main lounge and multi-purpose room. The flower bed behind the clubhouse was filled with water and it had no where to go so found it's way into the club. It was a mess and the Board of Directors called in the big guns to help us. ServPro came in and set up dehumidifiers in all the rooms that had flooded, removed all the walls that were wet and took up all the flooring. Glenbrook doesn't look very pretty right now!!!

All rentals that have been booked will only have access to the main lounge and the game room. The kitchen and multi-purpose room are not available for use.

## We Care

If there is someone you know in our Glenbrook that has had a baby, is getting married, is celebrating a milestone anniversary, has lost someone close, or just needs a friendly note, let us know.

Call the clubhouse at 714-529-8002 and leave a message for Beth Speakman. She will send a card to let them know we are thinking of them. Let's put a smile on a neighbor's face, it might be just what they need.
