Women's Club

Women's Club is getting ready for the BAZAAR Saturday, December 7th from 9-4. The bazaar is the one major fundraiser the Women's Club holds each year and has helped them make donations to the club for renovations and purchases, to both the Brea Olinda High School and Canyon High School for grad night, to the Brea Glenbrook swim team, to local charities, and Sheepfold. It takes planning and team work to make this event successful. If you are available to donate 2 hours to help on bazaar day that would be awesome!!! Please mark your calendars and plan on attending to help and/or shop. It really is a wonderful event for the whole community. Thank you in advance for your support.

Co-Presidents Moneque Pratt and Helen Taylor

FYI from one of our Glenbrook residents:

The Unofficial 2018/2019 Glenbrook Rainfall Record

A few years ago, the National Weather Service decided to change the recording of rainfall from July 1 through June 30 to October 1 through September 30.

A Glenbrook resident kept rainfall records of the 2018/2019 rainfall year. They recorded a total of 22.91 inches of rain during the recording period.

There were over 39 measurable rainfall events that dropped from .01 inches to 3.35 inches. The first recorded rainfall was taken on 10/3/2018 and the last on 5/23/2019.

Rainfall accumulation amounts are broken down in the numbers below:

.01 to .25 inches equaled 1.65 inches

.26 to .50 " " 1.71 "

.51 to .75 " " 2.48 "

.76 to 1.00 " " 3.42 "

1.01 to 1.50 " " 3.88 "

1.51 to 2.00 " " 1.84 "

2.00 to 2.99 " " 4.59 "

3.00 to 3.99 " " 3.35 "

There is a lack of consistency in what the average rainfall is for Brea. Based on available data, rainfall is somewhere between 11.0 inches and 15.0 inches for a 13.0 inch average.
